Re: United States v. Marquis Wright  
15 Cr. 445-3 (PAE)

Dear Judge Engelmayer:

On April 6, 2021 your Honor appointed me for the limited purpose of writing a memorandum of law in support of Mr. Wright's compassionate release motion. I am writing to request (2<sup>nd</sup> request, see Dkt. No. 1189) an extension/modification of the briefing schedule until June 18, 2021, to permit me to obtain and review critical records, documents and information in order to evaluate and incorporate them into the memorandum. The government, by AUSA Dina McLeod does not object to this request.

On April 6<sup>th</sup> and April 12<sup>th</sup> my office sent Mr. Wright certain forms and releases for his signature so that we would have the authorization to request his records. While we have received all of the signed forms/releases, we have not yet received all of the requested records.

Therefore, I request that the defense memorandum be filed on or before June 18, 2021, which would hopefully give me sufficient time to receive and review the records, and ultimately prepare the memorandum in support of Mr. Wright's motion.

If your Honor has any questions or requires additional information, please do not hesitate to contact me.

Thank you in advance for you consideration in this matter.

Respectfully submitted,

  
Jeremy Schneider

SO ORDERED.
